**THE POSITION**

This is manual or semi-skilled work of more than ordinary difficulty, often involving the use of skills acquired as a Municipal Maintenance Worker I.

An employee in this class is responsible for the performance of a wide variety of manual and semi-skilled tasks requiring some acquired skills in the use of hand tools, power tools, trucks and similar automotive equipment. An employee in this class may operate a municipal parking lot or be responsible for cleaning and maintenance which requires building and grounds maintenance tasks in an assigned area. Work may include manual labor in the installation and repair of municipal distribution and wastewater systems. Employees in this class may supervise employees of a lesser rank. Work is normally performed under supervision of a foreman or higher classified employee who issues written and oral instructions. Work is reviewed by the immediate supervisor; constant supervision is not necessary for routine and repetitive tasks.

**THE REQUIREMENTS**

1. Have one (1) year experience in street maintenance, landscape maintenance, mechanical maintenance, operation of light power equipment, custodial work, or other appropriate field, related to position assignment, with some supervisory training or lead-worker experience.
2. A valid Florida Driver's License is required for all positions. Some positions may require a Florida CDL Class B, preferably with airbrake endorsement.
